Marketing Teams use Call Box to ensure they are allocating their marketing budgets in the most effective way to capture more appointments. Call Box's data provides detailed reporting to ensure each marketing source is not only driving calls, but also booked appointments. If a marketing campaign is not performing optimally, Call Box's insight will shed light on such challenges to make educated adjustments. Marketing Teams are able to use Call Box's analytics to report back to stakeholders on the success of campaigns and share feedback for future marketing efforts.

RECOMMENDED USER HABITS

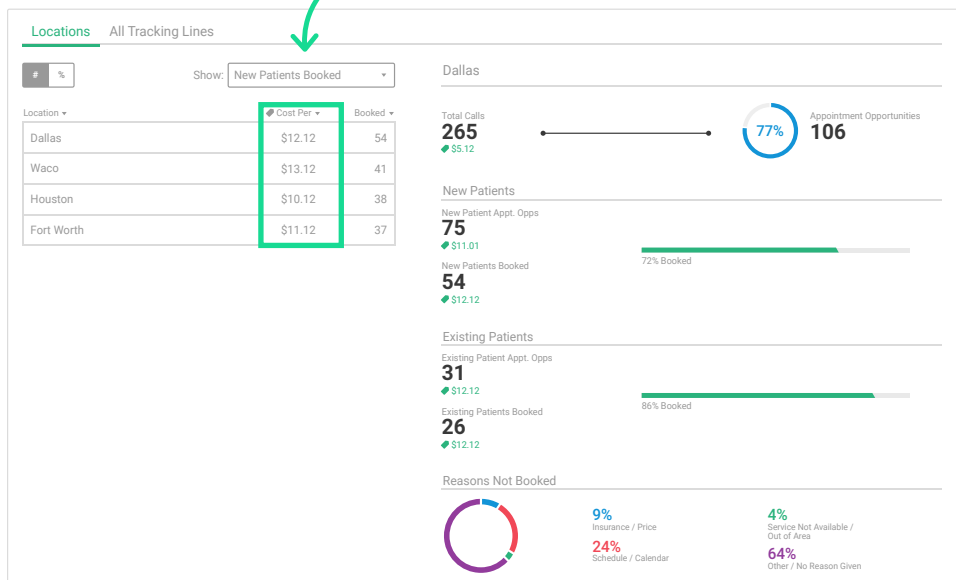

Call Box's reporting provides actionable insight to pinpoint areas of opportunity in marketing campaigns. Marketing Teams are able to set goals for improvement and track ongoing efforts toward growth. Call Box recommends Marketing Teams review and take action on the following reports:

MARKETING TRENDS

Marketing Trends provides an overview of marketing campaign performance for a group of practices. Marketing Teams use this report to get a high-level view of their organization's marketing campaigns and evaluate the effectiveness of their marketing spend.

Identify the cost for each new patient booked.

- ✓ Analyze marketing performance and trends across locations, drilling down to the success of each marketing source.
- ✓ Input monthly average cost per campaign to get a clear ROI and determine exactly how much money is being spent on each appointment opportunity call.

- ✓ Focus in on each office individually to determine which campaign works best on an individual office level.
- ✓ Make informed decisions on where to allocate marketing spend, whether that's focusing on a particular media or geographic area.

TRACKING LINE SUMMARY

The Tracking Line Summary provides a detailed view of each source Call Box is tracking. Call Box recommends creating a new tracking line for each unique source to ensure accurate metrics and outcomes. This typically includes:

DIGITAL MARKETING SOURCES

Website, Google, emails, social media, etc.

MAIN LINE TRAFFIC

Contact Call Box for options to track main line.

TRADITIONAL MARKETING SOURCES

Mailers, business cards, newspaper ads, etc.

SPECIFIC WORKFLOW CALLS

Referring providers, call-back numbers, etc.

RECOMMENDED AUTOMATED EMAIL REPORTS

Automated Reports allow Marketing Teams to receive any of Call Box's reports sent straight to their emails on a daily, weekly, or monthly basis. This enables them to track ongoing performance metrics and ensure marketing efforts are driving results in a convenient and consistent manner. Automated Reports are easy to share with other stakeholders in

the organization and collaborate on mutual priorities.

Call Box recommends Marketing Teams set themselves up to receive the following automated email reports to consistently measure goals and identify areas of improvement:

Build a new automated report

Customize your automated report to get the most important calls in your inbox. Add alerts for other calls, change the frequency of your alerts, or tack high-level performance reports to each email.
